LENT SESSION February 21-March 21

Adults:

Fr. John's Lenten Lecture Series. You Pick the Topic. This Lent we are going to start a new series - something quite different from what we have done before. We all have these questions: *Why do we believe what we believe? How do we deal with the many questions about Jesus, God, the Catholic faith, and its relevance for our daily life?* But what else would you like answered? Submit your questions about your faith that you would like answered or a topic that you would like a further explanation to. Get your question/topic to Fr. John by Wednesday for the following Wednesday session. He will do his best to pick as many as possible. You can email your question to Fr. John at frjohn@bcacs.org. or drop them off in the collection basket or parish office and he will get them.
